POULTRY AND RABBITS RULES & REGULATIONS

1. A card will be provided for each article stating class, number of entry, and name of exhibitor and will remain attached to the article during the fair.
2. All Poultry and Rabbits entry blanks (see previous page) should be in by Friday, July 22nd, to permit a planned layout of exhibiting area.
3. All exhibits must be delivered to the grounds before 6:00PM Friday.
4. The Fair Committee will exercise all reasonable care of exhibits, but will not be responsible for any damage or loss that may occur.
5. In absence of competition, the withholding of premiums will be at the discretion of the judges.
6. All premiums will be paid according to records in the Judge's book.
7. In making an entry, every exhibitor agrees to be governed by the rules and regulations herein.

8. Poultry originating within the state must come from healthy flocks with no evidence of infectious, contagious and/or communicable diseases. All birds must be inspected, identified and be accompanied by written proof (Connecticut Flock Test card or Connecticut Veterinary Medical Diagnostic Laboratory Report) that verifies that the breeding flock or the individual birds listed on the report were blood-test negative for Salmonella pullorum within 365 days of the show date. Concurrent Avian Influenza testing of the flock and/or individual birds is strongly recommended. Poultry vaccinated within 30 days with any live virus vaccine will be prohibited from showing. All cages, crates or vehicles used for housing or transporting poultry must be cleaned and disinfected before and after each show.

9. Out of State Animals: All poultry must test negative for Salmonella pullorum within 12 months of the show date and be accompanied by this certificate. All poultry must comply with the Department of Agriculture Avian Influenza requirements by originating from AI-Free flocks or be tested for AI within 30 days of entry and have a certificate. No poultry from any areas of any state having Avian Influenza may enter Connecticut. Poultry vaccinated within 30 days with any live virus vaccine will be prohibited from showing. All cages, crates and vehicles used for housing and transporting poultry must be cleaned and disinfected before and after each show.
